

CATCH THE COLOUR OF SUMMER WITH YOUR NEW IPOD NANO

VIDEO RECORDING. FM RADIO + LIVE PAUSE. A SMARTER WAY TO RADIO. FITNESS.

- iPod Nano comes with a built-in video camera that lets you spontaneously shoot video wherever you are.
- Fifteen fun video effects let you add a little Hollywood to your video.
- The new built-in FM tuner has two amazing features: iTunes Tagging and Live Pause that make listening to the radio nothing like listening to the radio
- Get down. Shape up. The new Pedometer included on iPod nano keeps track of your steps.
